About the open forum

The following area will be discussed in this open forum:

- General outlook of global economy.
- The dry shipping sector: outlook of demand and supply, the market charter rate, and asset movement.
- The tanker shipping sector: outlook of demand, shipping fleet, charter rate, and asset movement.
- Containership sector: the demand, supply and market charter rate, and asset value movement.

Speakers' Bio

- The speaker has over three decades of experience in the shipping and offshore markets. Before joining OGB Hong Kong, he has had a diverse career, working for CSSC Jiangnan Shipyard, Lloyd's Register, Royal Bank of Scotland, Gibson Shipbroker, Commonwealth Bank of Australia and MSI in Shanghai, Busan, London, Hong Kong and Singapore
- The speaker is a fellow of The Royal Institute of Naval Architects; a fellow of The Institute of Marine Engineering, Science & Technology; a Freedom of the City of London; a liveryman of The Worshipful Company of Shipwrights. In 2018, Jianjun published the book, *Ship Market Trend*, which explores critical shipping indicators of market trends; all proceeds from the sale of the book were donated to the marine charity, Sailor's Society.
- The speaker holds a BSc in Naval Architecture from the Wuhan University of Technology and an MBA from Southern Columbia University.
