Where Shipping Goes

Mr. Jianjun WANG, Head of Business Development, Oneglobal Broking, who has over three decades of experience in the shipping and offshore markets, has been invited as the guest speaker. With comprehensive work experience, Mr. WANG has brought a broad perspective of all phases of the logistics. During the open forum, Mr. WANG gave his insights on general outlook of global economy and discussed further uncertainties of the shipping market on different critical shipping indicators of market trends, like dry shipping, tanker shipping, and containership sector etc.
